"America's GREEN Insulator"

Leading the industry means bringing more value.

Icynene-Lapolla understands our obligation as an industry leader. Setting the standard for technology and service is just the beginning.

- Open cell foam over 25 years ago.
- Non-mix open cell foam over 10 years ago.
- Closed cell HFO over 5 years ago.

Our history of innovation is evident, our promise is *quality every time.*
